PROFILE

Third-year Artificial Intelligence student with hands-on experience in **relational database design, data analysis, and data visualization**. Skilled in **Python, SQL, and Excel**, with practical project work spanning database modeling and multi-sheet dashboard development. Currently expanding into **Machine Learning and Power BI**, with a strong interest in applying analytical and technical skills to real-world data problems.

PROJECTS

Multi-System Database Design (ERD & Relational Mapping)
Database Design Project

- Designed ERD and relational mapping schemas for four systems: Hospital Management, Library Management, E-Commerce, and Online Learning Platform
- Delivered as a fully formatted Excel workbook
- **Tech Stack:** ERD Design, Relational Database Modeling, Microsoft Excel

Netflix Dataset Analysis & Dashboard
Data Analysis & Visualization Project

- Built a multi-sheet Excel dashboard using PivotTables and multiple chart types (Pie, Bar, Line)
- Performed data cleaning (e.g., extracting primary genre values) and generated distribution statistics
- Iterated on visual themes, including a Netflix-inspired dark theme, and summarized insights in a published LinkedIn post
- **Tech Stack:** Python (Pandas, NumPy, Matplotlib), Microsoft Excel, Data Visualization

TECHNICAL SKILLS

Programming Languages

- C++, Java, HTML, and CSS, with growing exposure to backend and web fundamentals.

Data Analysis

- Python (Pandas, NumPy, Matplotlib) and Microsoft Excel (PivotTables, Dashboards, Data Cleaning) for exploring, cleaning, and visualizing datasets.

Databases

- SQL and relational database design (ERD & relational mapping) for structuring and querying data.

Currently Learning

- Machine Learning, Power BI, and Advanced SQL.

Soft Skills

- Problem Solving and Attention to Detail.

EDUCATION

B.Sc. in Artificial Intelligence
Faculty of Computers and Artificial Intelligence, Beni-Suef University | Third Year — Expected Graduation: 2028

CERTIFICATES

SWITCH CODE
Introduction to Data Analysis — Certified

LANGUAGES

Arabic
Native language.

English
Intermediate proficiency.
